

Discover what's in your water.

RMB Environmental Laboratories is proud to announce we have partnered with the **Swift Soil & Water Conservation District** to provide a convenient and reliable way to test your water.

Pick up an easy to use water testing kit today to ensure your water is safe from bacteria, nitrates, arsenic, lead, fluoride & secondary contaminants.

You should test your water when...

- ✓ *Purchasing a home*
- ✓ *You are pregnant or nursing*
- ✓ *There are children or elderly in the home*
- ✓ *Someone in the home has a digestive illness or vitamin deficiency*
- ✓ *There is a private water source on property*
- ✓ *Living near livestock or heavily fertilized areas*
- ✓ *A new well, pump, or treatment device has recently been installed*
- ✓ *There is a change in odor, taste or appearance of your water*
- ✓ *Your place of business caters to children or the elderly*

Testing your water has never been easier!

- 1 Pick up a water testing kit at the **Swift Soil & Water Conservation District** office
1430 Utah Avenue, Benson, MN
- 2 Not sure what to test for - we can help! Simply call RMB Environmental Laboratories at 1-888-200-5770
- 3 Collect your water sample & return the same day it was collected. Average costs are only \$12-\$27.00 per test.
- 4 Free courier service by RMB Environmental Laboratories from the Swift SWCD to the lab ensures no mailing, no extra shipping & handling costs, and no missed deliveries or deadlines.
- 5 Results typically sent within 2-3 business days.

RMB Environmental Laboratories, Inc. is an independent, full service, analytical laboratory testing water since 1995. Our company does not provide, nor sell drinking water treatment, softening, or purification services. We are state certified and are able to provide independent third party drinking water collection.

Offices in Detroit Lakes, Grand Rapids and Bloomington. For more information visit www.rmbel.info or call 218.846.1465.
